

# How to transfer a moose Tag validation to the Designated Alternate

Skip the line, do it online! You can now transfer your moose Tag to the Designated Alternate from your online account!

Once your draw results are known (beginning August 1, 2019), and before the validated Tag is available to print (beginning August 20, 2019), you can transfer your moose Tag to the Designated Alternate by accessing your online account or by visiting a participating ServiceOntario.

Beginning August 20, 2019 - all moose Tag transfers must be completed at a participating ServiceOntario. Remember the transfer validation must be complete prior to the season start date.

To complete your Tag transfer, follow these three simple steps!
