COLLECTIVE AGREEMENT

BETWEEN:

COMMUNITY LIFECARE INC.
c.o.b. as C.N.H., PICKERING, ONTARIO AND
ORCHARD VILLA, PICKERING, ONTARIO

{The “Employer”}

OF THE FIRST PART

AND

SERVICE EMPLOYEES’ INTERNATIONAL UNION, LOCAL 1 CANADA
C.L.C

{Hereinafter referred to as the “Union”}

OF THE SECOND PART

ARTICLE 1 – PURPOSE

1.01 The purpose of this Agreement is to establish an orderly collective bargaining relationship between the Employer and the employees concerned and to provide machinery for the prompt and equitable disposition of grievances, and to establish and maintain satisfactory working conditions, hours of work and wages for all employees within the bargaining unit.

ARTICLE 2 – SCOPE AND RECOGNITION

2.01 The Employer recognizes the Union as the sole collective bargaining agent for its employees at Village Retirement Centre (Community Nursing Home and Orchard Villa), in Pickering, Ontario; save and except Professional Medical Staff, Registered Nurses, Graduate Nurses, Physiotherapist, Occupational Therapist, Supervisors and persons above the rank of Supervisors.

2.02 The Employer undertakes that he will not enter into any other agreement or contract with those employees for whom the Union has bargaining rights either individually or collectively which will conflict with any of the provisions of this Agreement.

2.03 The Union and the Employer agree to abide by the Human Rights Code of Ontario.

2.04 The Employer shall not contract out any work normally performed by members of the bargaining unit if, as a result of such contracting out, a layoff of any employees, other than casual part-time employees, results from such contracting out.

Contracting out to an Employer who is organized and who will employ the employees of the bargaining unit, who would otherwise be laid off, with similar terms and conditions of employment, is not a breach of this Agreement.
2.05 Persons excluded from the bargaining unit shall not perform duties normally performed by employees in the bargaining unit, which shall directly cause or result in the lay off or reduction in hours of work of an employee in the bargaining unit.

ARTICLE 3 – DEFINITIONS

3.01 Where the feminine pronoun is used in this Agreement, it shall mean and include the masculine pronoun where the context so applies.

3.02 Where the singular is used, it may also be deemed to mean the plural, within the appropriate context.

3.03 Except where otherwise specified in the Agreement, the reference to a number of days within which any matter shall be dealt with is to be in terms of calendar days.

3.04 Any reference to Doctor will include, where appropriate, Nurse Practitioner.

ARTICLE 4 – FULL-TIME AND PART-TIME EMPLOYEES

4.01 Full Time definition. An employee is considered to be full time when scheduled greater than 66.0 hours per pay period.

4.02 Part Time definition. An employee is considered to be part time when scheduled 66.0 hours or less per pay period.

ARTICLE 5 – UNION SECURITY

5.01 Each of the parties hereto agree that there will be no discrimination, interference, restraint or coercion exercised or practiced upon any employee because of membership in the Union.

5.02 (a) All employees who are in the employ of the Employer at the signing date of this Agreement and all new employees who enter the employ of the Employer after the Agreement has been signed, shall as a condition of employment, be subject to a one-time Union dues administrative assessment for newly hired employees and regular monthly Union dues to be deducted from their wages and remitted to the Union.

It is understood that dues shall be deducted from all Employees beginning in the first month of hire.

(b) The Employer agrees to forward a list of dues deductions in an electronic format designed by the Union showing the names, classifications, current addresses, phone numbers, Social Insurance Numbers, highlighting New Hires, resignations, terminations, new unpaid leave of absences and return from leaves of absence, hourly rate, hours worked, and the amount of dues remitted on behalf of each of the employees for whom the deductions have been made.
It shall be the duty of each employee to promptly notify the Employer, in writing, of any change in address, telephone number and bank deposit information. If an employee fails to do so, the Employer will not be responsible for failure of a notice to reach such employee. All notices shall be confirmed in writing by management.

(c) All present employees who are members of the Union, as a condition of employment, shall remain union members in good standing, and all new employees shall, as a condition of employment, become and remain members in good standing of the Union on completion of probation, provided that no employee shall be terminated for loss of membership except for non-payment of union dues as provided by this Agreement.

(d) The Union and its members shall hold the Employer harmless with respect to any liability which the Employer might incur as a result of deductions and remittances.

(e) Union dues are not deducted from SUB plans payments and the Employer has no responsibility for Union dues while an employee is off on Pregnancy and/or Parental Leave.

5.03 Deductions shall be made from the first pay of each month and forwarded to the Union Office on or before the last day of the same month in which the deductions are made, where practicable.

5.04 It is mutually agreed that arrangements will be made for a Union Steward to interview each new employee who is not a member of the Union once during the first thirty (30) days of employment for the purpose of informing such employee of the existence of the Union in the Home, and of ascertaining whether the employee wishes to become a member of the Union. The Employer shall advise the Union monthly as to the names of the persons listed for interview and the time and place on the premises of the Employer designated for each such interview, the duration of which shall not exceed fifteen (15) minutes.

5.05 The Employer will provide each Employee with a T-4 slip showing the annual Union dues paid by that Employee for the year previous.

5.06 Employment of Disabled Workers

The Union and the Employer acknowledges their obligations to accommodate certain individuals under the Human Rights Code of Ontario and agrees that this Collective Agreement will be interpreted in such a way as to permit those obligations to be discharged.

ARTICLE 6 – NO STRIKES OR LOCKOUTS

6.01 In view of the orderly procedures established by this Agreement for the settling of disputes and the handling of grievances, the Union agrees that during the lifetime of this Agreement there will be no strike, picketing, slowdown (either complete or partial), and the Employer agrees that there will be no lock-out.

6.02 The words “strike” and “lock-out” as used herein are agreed to have the meanings defined for these words in the present Ontario Labour Relations Act of R.S.O. 1980, as amended.
ARTICLE 7 - MANAGEMENT RIGHTS

7.01 The Union acknowledges that all management rights and prerogatives are vested exclusively with the Employer and without limiting the generality of the foregoing; it is the exclusive function of the Employer;

(a) To determine and establish standards and procedures for the care, welfare, safety and comfort of the Residents in the home;

(b) To maintain order, discipline and efficiency, and in connection therewith to establish and enforce reasonable rules and regulations. Such rules will be posted on the employee’s bulletin board with a copy supplied to the union committee. The management reserves the right to amend or introduce new rules from time to time, copies of which are to be posted on the bulletin boards with copies to be supplied to the union committee. The union committee shall have the right to make representation before any rule is amended or any new rule is introduced.

The Employer agrees prior to the introduction of any new policy or procedure related to the terms and conditions of employment the Union will be advised by providing a copy of such policy to a Union Steward or through the Labour/Management Committee.

(c) To hire, transfer, layoff, recall, promote, demote, classify, assign duties, discharge, suspend or otherwise discipline employees for just cause, provided that a claim of discriminatory transfer, promotion, demotion or classification, or a claim that an employee who has completed their probationary period has been discharged or disciplined without just cause, may be the subject of a grievance and dealt with as hereinafter provided;

(d) To have the right to plan, direct, evaluate and control the work of the employees and the operations of the home. This includes the right to introduce new and improved methods, facilities, equipment, and to control the amount of supervision necessary, combining or splitting up of departments, implementing work schedules and the increase or reduction of personnel in any particular area or on the whole.

ARTICLE 8 - UNION COMMITTEE AND STEWARDS

8.01 (a) It is mutually agreed that where negotiations are conducted the Union will elect or otherwise select a negotiating committee consisting of three (3) members, one (1) of whom shall be the Chief Steward and one (1) shall be from the part-time compliment.

(b) All members of the committee shall be regular employees of the Employer who have completed at least six (6) month’s of continuous service with the Employer.

(c) The Employer will compensate employee members of the Union negotiating committee as set out in Article 8.01(a) for time necessarily lost from work to attend negotiation meetings including conciliation but not arbitration.

(d) Employees on the evening and night shift shall receive paid time off for the actual day of the negotiations meeting.
The Employer will recognize the Union Administrative Committee which shall consist of a Chief Steward and six (6) stewards all selected from members of the bargaining unit, one (1) of whom shall be from the Retirement Home and two (2) of whom shall be part-time employees. No more than two (2) committee members shall meet with the Employer at any one time.

All members of the committee shall be employees of the Employer who have completed six (6) months of continuous service with the Employer. The committee shall meet on request of either party at least once each month for the purpose of discussing all matters of mutual concern. The committee shall have power to make recommendations to the Union and to the Employer.

The Union acknowledges that the members of the Union Administrative Committee must continue to perform their regular duties and that so far as possible all activities of the committee will be carried on outside the regular working hours of the members thereof, unless otherwise mutually arranged.

The Employer shall pay representatives and Committee members their respective wages for all time lost from regularly scheduled hours investigating and/or processing grievances, up to but not including the Arbitration stage, negotiation of the Collective Agreement and the renewals thereof, up to and including conciliation, and while attending meetings with the Employer. Employees on the evening and or night shift shall receive paid time off for the actual day of the negotiation meeting.

Labour /Management Committee

Where there are matters of mutual concern and interest that would be beneficial if discussed at a Labour/Management committee meeting during the term of this Agreement, the following shall apply.

An equal number of representatives of each party as mutually agreed shall meet at a time and place mutually satisfactory. A request for such meeting will be made in writing at least one (1) week prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of grievance or matters that are properly the subject of negotiations for the amendment or renewal of this Agreement. Suitable subjects for discussion will include orientation, aggressive residents and workload issues.

A representative attending such meeting shall be paid for wages lost from regularly scheduled hours. A Union staff member may attend as a representative of the Union. Meetings will be held quarterly unless otherwise agreed.

1. **Purpose and Commitment:**

   The Employer and the Union recognize the value of open and effective communication in maintaining a constructive labour/management relationship. To this end, this Committee will provide a regular opportunity to discuss ongoing issues and problems and a chance to resolve these problems to the benefit of both parties. The Employer and the Union hope that their effort in this initiative will help to build a better line of communications and a more harmonious workplace for everyone.
2. **Structure and size:**

The Committee will be comprised of an equal number of employees from the Union and Management based on criteria as set out in Article 8.05 of the Collective Agreement.

3. **Agenda Items:**

The Administrator and the unit Chair or designate will meet prior to the Committee meetings to exchange proposed agenda items for that meeting. Those items will be listed in order of priority. The Employer will arrange to integrate the two lists and have a single agenda typed and distributed to Committee members prior to the meeting. Emergency items arising after the agenda is prepared can be entertained on agreement of the parties at the outset of the meeting. Business arising from the minutes of the previous meeting will be handled as the first item on each meeting’s agenda.

4. **Chairmanship:**

The parties will alternate the Chair from meeting to meeting. The party chairing the meeting will appoint from among their Committee a Chairperson, and the other party will appoint a Recording Secretary. The Chairperson will seek to keep the discussion on topic and timely and ensure that each Committee member has a chance to have input on each item discussed.

5. **Minutes:**

Following the Committee meetings, the Chairperson and the Recording Secretary will compare notes and agree to the minutes, which will then be typed by the Employer, and a copy of same will be made available to each of the Committee Members, and a copy will be posted on the Union Bulletin Board.

6. **Other Matters:**

The Employer agrees to pay employees for time spent in Committee Meetings held during the employee’s normal working hours. Time spent in meeting outside of the employee’s normal working hours shall be paid at his or her regular or overtime rate.

8.06 **New Classification**

When a new classification (which is covered by the terms of this Agreement) is established by the Home, the Home shall determine the rate of pay for such new classification and notify the local Union of the same within seven (7) days. If the local Union challenges the rate, it shall have the right to request a meeting with the Home to endeavour to negotiate a mutually satisfactory rate. Such request will be made within ten (10) days after the receipt of notice from the Home of such new occupational classification and rate. Any change mutually agreed to resulting from such meeting shall be retroactive to the date that notice of the new rate was given by the Home. If the parties are unable to agree, the dispute concerning the new rate may be submitted to arbitration as provided for in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or Arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classifications in the bargaining unit having regard to the requirements of such classification.
When the Home makes a substantial change during the term of the Agreement in the job content of an existing classification which in reality causes such classification to become a new classification, the Home agrees to meet with the Union if requested to permit the Union to make representation with respect to the appropriate rate of pay.

If the matter is not resolved following the meeting with the Union, the matter may be referred to arbitration as provided for in the Agreement within fifteen (15) days of such meeting. The decision of the Board of Arbitration (or arbitrator as the case may be) shall be based on the relationship established by comparison with the rates for other classification in the bargaining unit having regard to the requirements of such classifications.

The parties further agree that any change mutually agreed to or awarded as a result of arbitration shall be retroactive only to the date that the Union raised the issue with the Home.

8.07 C.M.I./RAI MDS 2.0 Results

Full-time and Part-time

Recognizing the mutual objective of quality care, the Employer agrees to meet through the Labour/Management Committee with the Union as soon as practicable after the receipt of their annual CMI/RAI MDS 2.0 results. The Employer agrees to provide the Union Representatives with staffing levels, and staffing mix information; the impact of related payroll costs on staffing levels and a written notice of the CMI/RAI MDS 2.0 results for the facility.

The purpose of this meeting is to discuss the impact of the CMI/RAI MDS 2.0 changes on the staffing levels in the facility, and quality care, and provide the Union with an opportunity to make representation in that regard.

The parties shall meet as necessary to discuss other changes or workload issues.

The parties may invite additional participants to attend the meeting to support constructive review and discussion.

8.08 The bargaining unit has the right, at any time, to have the assistance of a Union Representative from SEIU Local 1 Canada when dealing with grievances or negotiating with the employer. Such Union Representative shall have access to the employers premises, Subject to Article 8.09, in order to investigate and or assist in the settlement of a grievance with prior notice to the administrator/General Manager

8.09 Subject to the following conditions, a Union Representative of SEIU Local 1 Canada will be entitled to visit the home covered by this agreement, at reasonable times to speak with employees, provided

(a) He first reports to the administrator/General Manager/Designate
(b) He complies with the homes regulations
ARTICLE 9 – GRIEVANCE PROCEDURE

9.01 Complaints and Grievances

a) A grievance under this Agreement shall be defined as any difference or dispute between the Employer and any Employee relating to the interpretation, application or administration of this Agreement, including any questions as to whether the matter is arbitrable and an allegation that this Agreement has been violated.

b) All complaints and grievances shall be taken up in following manner:

   Step Number 1

   An Employee having a question or complaint shall refer it to his immediate Supervisor within eight (8) working days of the actual occurrence leading to the question or complaint. The Supervisor shall reply to the Employee, giving the answer to the complaint or question within four (4) working days from date of submission.

   Step Number 2

   If further action is then to be taken, then within five (5) working days after the decision is given in Step Number 1, the Employee, who may request the assistance of his or her Steward, shall submit the grievance in writing to the Administrator. A meeting will then be held between the Administrator or his designated representative and the Employee. It is understood that at such a meeting the Administrator or his designated representative may have such counsel and assistance as he may desire, and that the Employee may have his Steward and that the SEIU Union Representative or an International Representative of the Union may also be present at the request of either the Employee or the Employer. The decision of the Administrator or his designated representative shall be given in writing within five (5) working days following the meeting.

   Step Number 3

   Should the Administrator fail to render his decision as required in Step Number 2, or failing settlement of any grievance under the foregoing procedure arising from the interpretation, application, administration or alleged violation of this Agreement, including any question as to whether a matter is arbitrable, the grievance may be referred to Arbitration by either the Employer or the Union. If no written request for Arbitration is received within five (5) working days after the decision under Step Number 2 is given, or within ten (10) working days following the meeting under Step Number 2 of the grievance procedure, the grievance shall be deemed to have been abandoned and the same grievance shall not be the subject matter of a further grievance.

9.02 Any of the time allowances above may be extended by mutual agreement of the parties.

9.03 In determining the time within which any action is to be taken or completed under the terms of this Agreement, such time limits shall be exclusive of Saturdays, Sundays and paid holidays.

9.04 Grievance Process
Either party, with the agreement of the other party, may submit a grievance to grievance mediation at any time within ten (10) working days after the Employer’s decision has been rendered at the step prior to arbitration. Where the matter is so referred, the mediation process shall take place before the matter is referred to Arbitrator.

Grievance mediation shall be scheduled within twenty (20) working days of the grievance being submitted to mediation, or longer period as agreed by the parties.

No matter may be submitted to grievance mediation which has not been properly carried through the grievance procedure, provided that the parties may extend the time limits fixed in the grievance procedure.

The parties shall agree on a Mediator.

Proceedings before the Mediator shall be informal. Accordingly, the rules of evidence will not apply, no record of the proceedings shall be made and legal counsel shall not be used by either party, unless otherwise mutually agreed.

If possible, an agreed statement of facts will be provided to the Mediator, and if possible, in advance of the Grievance Mediation Conference.

The Mediator will have the authority to meet separately with either party.

If no settlement is reached within five (5) working days following grievance mediation, the parties are free to submit the matter to Arbitration in accordance with the provisions of the Collective Agreement. In the event that a grievance which has been mediated subsequently proceeds to arbitration, no person serving as the Mediator may serve as an Arbitrator, unless otherwise mutually agreed. Nothing said or done by the Mediator may be referred to Arbitration.

The Union and Employer will share the cost of the Mediator, if any.

Letters of reprimand are to be removed from an Employee’s personnel file after twelve (12) months from the date of discipline, provided that the Employee has remained discipline free during that period, except in the case of incidents involving residents in which case the record will remain on file if the complaint is not reversed through settlement or arbitration. Leaves of absence in excess of thirty (30) continuous calendar days will not count towards the twelve (12) month period noted above.

Records of suspension are to be removed from an Employee’s personnel file after eighteen (18) months from the date of discipline, provided that the Employee has remained discipline free during that period, except in the case of incidents involving residents in which case the record will remain on file if the complaint is not reversed through settlement or arbitration. Leaves of absence in excess of thirty (30) continuous calendar days will not count towards the eighteen (18) month period noted above.
9.07 Viewing a File

Having provided a written request to the Administrator at least one (1) week in advance, an Employee shall be entitled to her personnel file for the purpose of reviewing any evaluations or formal disciplinary notations contained therein in the presence of a Supervisor at a mutually satisfactory time. It is understood and agreed that an Employee is not entitled to see job references.

ARTICLE 10 – DISCHARGE AND DISCIPLINE

10.01 In the event of an employee who has completed his probationary period being discharged from employment, and the employee feels that an injustice has been done, the case may be taken up as a grievance.

10.02 All such cases shall be taken up within eight (8) working days and disposed of within eleven (11) working days (or such longer period as may be mutually agreed upon) of the date the employee is notified of her discharge, except where a case is taken to arbitration. Such a claim by an employee who has completed her probationary period shall be treated as a grievance if a written statement of such grievance is lodged with the Administrator within eight (8) working days after the employee is notified of her discharge or within eight (8) working days after the employee ceases to work for the Employer, whichever is the earlier.

All steps of the grievance procedure prior to Step Number 2 may be omitted in such cases.

10.03 Such special grievances may be settled by confirming the Employer’s action in dismissing the employee, or by re-instating the employee with full compensation for time lost, or by any other arrangement which is just and equitable in the opinion of the conferring parties or the Board of Arbitration, as the case may be.

10.04 An employee subject to disciplinary action which is to be recorded in the employee’s personnel file shall have the right to the presence of a Union Steward. The Union Stewards undertake to be reasonably available in person or by telephone for such meeting. In extraordinary circumstances when a Union Steward is entirely unavailable the employee shall have the right to the presence of a Union committee member or a member representative of the employee’s choice who is working on the current shift.

ARTICLE 11 – POLICY GRIEVANCE

11.01 Employer’s Grievances

The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation of this Agreement (by the Union or any employee covered by this Agreement), by forwarding a written statement of said grievance to the SEIU Union Representative, providing it is presented within ten (10) working days after the circumstances giving rise to the grievance have originated or occurred; the SEIU Union Representative shall give his decision in writing within five (5) working days after receiving the written grievance. Failing settlement, the parties will meet within ten (10) working days in an attempt to resolve the issue. Failing settlement, the grievance may be referred to Arbitration by the Employer in accordance with Article 12.01.
11.02 Union Policy Grievance

The Union may institute a grievance consisting of an allegation of a general misinterpretation or a violation by the Employer of this Agreement, in writing, at Step Number 2 of the grievance procedure, providing that it is presented within ten (10) working days after the circumstances giving rise to the grievance have originated or occurred. However, it is expressly understood that the provision of this clause may not be used to institute a grievance directly affecting an employee or employees which such employee or employees could themselves initiate an individual or group grievance and the regular grievance procedure shall not be thereby bypassed.

11.03 Group Grievance

Where a number of employees have similar grievances and each employee would be entitled to grieve separately, they may present a group grievance identifying each employee who is grieving to the Department Head or his/her designate within seven (7) working days after the circumstances giving rise to the grievance had occurred, or ought reasonably to have come to the attention of the employees. The grievance shall then be treated as being initiated at Step Number 2 and the applicable provisions of this Article shall then apply with respect to the processing of such grievance.

ARTICLE 12 – ARBITRATION PROCESS

12.01 When either party requests that a grievance be submitted to Arbitration, the request shall be in writing addressed to the other party to this Agreement and shall contain the name of the first party’s Nominee to the Board of Arbitration. The recipient of the notice shall, within ten (10) working days thereafter designate its Nominee to the Board of Arbitration. The two so nominated shall endeavour, within ten (10) working days after the appointment of the second of them, to agree upon a third person to act as Chair of the Board of Arbitration. If the Nominees are unable to agree upon a third person as Chair within ten (10) working days after the appointment of the second one of them, then either party may request the Ministry of Labour for the Province of Ontario to appoint a third member as Chair of the Board of Arbitration.

The said two (2) Nominees first appointed shall be at liberty prior to the expiration of ten (10) working days from the date of the appointment of the second of them, or prior to the appointment of the Chair within the said period of ten (10) working days, to discuss the grievance submitted to them with a view to a mutual settlement.

12.02 No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned.

12.03 Each of the parties shall pay its own expenses including pay for witnesses and the expense of its own Nominee and one-half of the expenses and fees of the Chair.

12.04 The Board of Arbitration shall have authority only to settle disputes under the terms of this Agreement and only to interpret and apply this Agreement to the facts of the grievance(s) involved. Only grievances arising from the interpretation, application, administration or alleged violation of this Agreement including a question as to whether a matter is arbitrable shall be arbitrated.
12.05 The Board of Arbitration shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it. The decision of the majority of the members of the Board of Arbitration shall be the decision of the Board, but if there is no majority the decision of the Chair shall govern.

12.06 All agreements reached under the grievance and arbitration procedures between the Employer and its representatives and the Union and its representatives will be final and binding upon the Employer, the Union and the employee(s) involved.

12.07 Any grievance involving the interpretation or application, administration or alleged violation of this Agreement, which has been disposed of hereunder, shall not be made the subject of another grievance. No costs of any arbitration shall be awarded to or against any party.

12.08 At any stage of the grievance procedure, including arbitration, the parties may have the assistance of the employee (or employees) concerned as a witness, and all reasonable arrangements will be made to permit the conferring parties of the Board of Arbitration to have access to any part of the Home to view any working conditions which may be relevant to the settlement of the grievance, at a reasonable time, and so as not to interfere with the function of the Home.

12.09 Sole Arbitrator

In the event that one party wishes to submit a grievance to arbitration, and is content that the matter be dealt with by a Sole Arbitrator as opposed to a tripartite Board of Arbitration as hereinbefore referred to, the party submitting the grievance to arbitration shall so signify when advising the other party and shall advise as to three (3) alternative choices as to a Sole Arbitrator in addition to that party’s Nominee to a tripartite board. The recipient of the notice shall in reply advise as to its Nominee to a tripartite board and three (3) alternative choices as to a Sole Arbitrator. If the parties can agree to a Sole Arbitrator within twenty (20) working days of the notice referring the matter to arbitration, the matter shall be determined by a Sole Arbitrator and failing such agreement the regular arbitration procedure shall apply.

**ARTICLE 13 – SENIORITY**

13.01 (a) A new employee shall be known as a probationary employee until he has worked three hundred and seventy-five (375) hours. It is agreed that the dismissal or lay off of a probationary employee shall not be made the subject of a grievance.

13.02 (a) Before final acceptance for employment, all applicants will be required to pass a physical examination. This examination may include x-ray and such laboratory tests as are required in accordance with the provisions of the Nursing Home Act (where applicable) and the Public Health Act (where applicable) for the protection of the employee and the Employer. If an employee is assigned to work before the physical examination is completed, it is understood that continued employment is pending upon the results of the physical examination.

(b) A probationary employee shall receive an evaluation of her work performance from the Employer at or about the three hundred and fifty (350) hours worked period of her probation.
On or before the expiry date of an employee's probationary period, the Employer will notify the employee in writing that:

(i) The employee's appointment to staff is confirmed, or;

(ii) The employee's employment is terminated, and such termination shall be at the sole discretion of the Employer and shall not be subject to the grievance procedure.

13.03 Approved leave(s) of absence in excess of ten (10) working days during the probationary period will not be considered as working days for the purposes of completing the probationary period.

13.04 Seniority for full time employees shall be based on date of hire, except as amended by the terms of this Collective Agreement. Seniority for part time employees shall be based on hours worked. A part time employee who has completed the probationary period shall be credited with three hundred and seventy-five hours of seniority. For purposes of this article part time seniority and service shall be calculated on the basis of one year of seniority for each eighteen hundred (1800) hours paid. Any time worked in excess of an equivalent shall be prorated.

13.05 In cases of promotion, demotions or permanent transfer of employees within their respective Home, the ability and seniority of the employees shall be considered. Where these factors are equal, the applicant with the greatest seniority will be considered, provided that in cases of disciplinary demotion the criteria will be whether there was just cause, not whether the grievor had seniority over some other employee.

13.06 Any question having to do with the observance or non-observance of seniority as required by this Agreement may be the subject of a grievance dealt with under the grievance procedure including the arbitration provisions.

13.07 (a) Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, employees shall be laid off in the reverse order of their departmental seniority. An employee about to be laid off may displace any employee with less seniority in another department, provided the employee exercising the right is qualified, able and willing to perform the work of the employee with less seniority, according to the establishing schedules.

A layoff shall be defined as a reduction in the workforce lasting more than one (1) day, as defined in this Agreement.

(b) In the event of a proposed layoff of a permanent or long-term nature, the Home will provide the Union with at least eight (8) weeks' notice. This notice is not in addition to required notice for individual employees.

Lay-Off Procedure

(c) In the event of lay-off, the Employer shall lay-off employees in the reverse order of their seniority within their classification, provided that there remain on the job employees who have the ability and qualifications as required to perform the work.
Any reduction in hours for an employee or group of employees shall be deemed a lay-off for the purposes of Article 13.

(d) An employee who is subject to lay-off shall have the right to either;

(i) accept the lay-off, or;

(ii) first bump an employee with less bargaining unit seniority within his or her bargaining unit in a lower classification for which they are qualified as required by law, and can perform the duties of the classification without training other than orientation.

(iii) Chain bumping will be allowed.

(iv) Consistent with the opportunity to chain bump, all employees who are potentially impacted will be given notice of lay off at the outset of the process.

(v) The decision of the employee to choose (i) or (ii) above shall be given in writing to the Administrator within three (3) days following the notification of lay-off. Employees failing to do so will be deemed to have accepted the lay-off.

Recall Rights

(e) An employee shall have opportunity of recall from a lay-off to an available opening, in order of seniority, provided she has the skills to perform the work.

The job posting procedure, as set out in the Collective Agreement will continue to apply. Employees with seniority who are laid off will be mailed a copy of the job posting/s to their last known address.

In determining the skills of an employee to perform the work for the purposes of the paragraph above, the Employer shall not act in an arbitrary manner.

(f) An employee recalled to work in a different classification from which she was laid off shall have the privilege of returning to the position she held prior to the lay-off should it become vacant within six (6) months of being recalled.

(g) No new employees shall be hired until all those laid off have been given an opportunity to return to work and have failed to do so, in accordance with the loss of seniority provision, or have been found unable to perform the work available.

(h) It is the sole responsibility of the employee who has been laid off to notify the Employer of her intention to return to work within five (5) working days (exclusive of Saturdays, Sundays and Paid Holidays) after being notified to do so by registered mail, addressed to the last address on record with the Employer (which notification shall be deemed to have been received after the second day following date of mailing) and return to work within ten (10) working days after being notified. The notification shall state the job to which the employee is eligible to be recalled and the date and time at which the employee shall report for work. The employee is solely responsible for her proper address being on record with the Employer.
(i) Employees on lay-off or notice of lay-off shall be given preference for temporary vacancies, which are expected to exceed twenty (20) days of work. An employee who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

(j) A laid off employee shall retain the rights of recall for a period of thirty-six (36) months from date of lay-off.

Note: For purposes of layoff and recall, full-time and part-time seniority will be deemed to be merged. It is understood and agreed that if a part-time employee bumps a full-time employee as part of the above noted procedure, the part-time employee is accepting the full time position only.

It is understood and agreed that if a full-time employee bumps a part-time employee as part of the above noted procedure, the full-time employee is accepting the part-time position only.

For these purposes, one (1) year full-time seniority = eighteen hundred (1800) hours of part-time seniority.

Benefits on Lay-off

(k) In the event of a lay-off, provided the employee deposits with the Home her share of insured benefits for the succeeding month (save for weekly indemnity for which laid-off employees are not eligible), the Employer shall pay its share of the insured benefits premium for a period up to three (3) months from the end of the month in which the lay-off occurs, or until the laid-off employee is employed elsewhere, whichever comes first.

(l) Seniority for purposes of layoff, recall, job posting or other non-economic reasons shall accrue up to thirty-six (36) months when an employee is absent due to W.S.I.B.

13.08 In the event of a layoff of a permanent or long-term nature, the Home will provide affected employees with notice in accordance with the Employment Standards Act. However, the Employment Standards will be deemed to be amended to provide notice to the affected employee as follows:

(a) one (1) weeks’ notice in writing to the employee if his or her period of employment is less than one (1) year;

(b) two (2) weeks’ notice in writing to the employee if his or her period of employment is one (1) year but less than three (3) years;

(c) three (3) weeks’ notice in writing to the employee if his or her period of employment is three (3) years or more but less than four (4) years;

(d) four (4) weeks’ notice in writing to the employee if his or her period of employment is four (4) years or more but less than five (5) years;
(e) five (5) weeks’ notice in writing to the employee if his or her period of employment is five (5) years or more but less than six (6) years;

(f) six (6) weeks’ notice in writing to the employee if his or her period of employment is six (6) years or more but less than seven (7) years;

(g) seven (7) weeks’ notice in writing to the employee if his or her period of employment is seven (7) years or more but less than eight (8) years;

(h) eight (8) weeks’ notice in writing to the employee if his or her period of employment is eight (8) years or more but less than nine (9) years;

(i) nine (9) weeks’ notice in writing to the employee if his or her period of employment is nine (9) years or more but less than ten (10) years;

(j) ten (10) weeks’ notice in writing to the employee if his or her period of employment is ten (10) years or more but less than eleven (11) years;

(k) eleven (11) weeks’ notice in writing to the employee if his or her period of employment is eleven (11) years or more but less than twelve (12) years;

(l) twelve (12) weeks’ notice in writing to the employee if his or her period of employment is twelve (12) years or more.

(m) Severance pay will be in accordance with the provisions under the Employment Standards Act.

13.09 Employees shall be recalled on the basis of their bargaining unit wide seniority, provided that such employees are fully qualified and willing to do the work which is then available at their respective Home.

13.10 The Union may grieve if the Employer is scheduling a probationary employee for the purpose of preventing completion of the probationary period.

13.11 Technological Change

Technological change will be discussed with the Union thirty (30) days in advance, where possible.

ARTICLE 14 – SENIORITY LISTS

14.01 The Employer shall post and supply the union Chief Steward and the S.E.I.U. Union Representative with copies of the seniority list in January and July of each year, showing employees’ names, their start date and the number of hours of accumulated seniority. A challenge by an employee as to the accuracy of the seniority list shall not be accepted after thirty (30) days following the posting of the seniority list.

14.02 When compiling a seniority list in January and July of each year, the Employer shall calculate the hours for persons working less than full-time for the past six month period. The average hours
paid for permanent part-time employees during that six (6) month period shall be the hours used for calculating purposes under Article 40 Permanent part-time employees. (The pre-determined six (6) month period shall coincide with the pay period ending around June 30th and December 31st and the re-calculation pro-ration percentage, where applicable, shall apply in August for the pay period ending around June 30th and February for the pay period ending around December 31st.

14.03 Should there be a tie of date of hire of two (2) or more full time employees, the tiebreaker used shall be a lottery.

**ARTICLE 15 – LOSS OF SENIORITY**

15.01 An employee shall lose all seniority and her employment shall be deemed to be terminated if she:

(a) Voluntarily resigns, retires or is discharged for just cause and is not reinstated through the grievance process; or

(b) Is absent from work more than thirty-six (36) months by reason of illness or other physical disability and there is no reasonable likelihood the employee will return to work within the near future; or

(c) Is absent from work without a reasonable excuse for more than three (3) consecutive days for which she is scheduled to work; or

(d) Is absent from work for more than thirty-six (36) months by reason of lay-off; or

(f) Failure to notify the Employer of her intention to return to work within five (5) working days of being notified of recall by registered mail, if unemployed, or within ten (10) working days of being notified of recall by registered mail if employed elsewhere. Registered mail sent to the employee’s most recent address on her employment file shall be interpreted as proper notice. For purposes of recall it shall be the responsibility of the employee to keep the Employer informed of her current address; or

(g) Retires

**ARTICLE 16 – TRANSFERS**

16.01 (a) When an employee is assigned temporarily to perform the duties and assume the responsibilities of a higher paying classification in the bargaining unit, she shall be paid the rate in the higher salary range immediately above her current rate for all hours worked in the assignment.
(b) If an employee is transferred to a lower job due to a reduction in staff, inability to perform her work as required, at the employee’s request or any other reason as determined by the Employer acting within the scope of Article 7, the employee will receive the corresponding rate of her current job for the job to which she was transferred. Job seniority for pay purposes shall include seniority on the job she is being transferred from.

(c) If an employee is permanently transferred or reclassified to a higher rated job group, he shall receive the rate immediately above the rate of his prior job in the salary range of the job to which he is transferred. Job seniority for pay purposes shall date from the date the transfer becomes effective.

(d) Where the Employer assigns an employee to orient a newly hired employee in this bargaining unit during her orientation period, the employee who is training will receive a premium of $1.50 per hour and the newly hired person will receive a premium of $1.50 per hour less than the start rate of her classification. These revised payments will apply only during the period of orientation which shall not normally exceed five (5) days. This provision only applies when an SEIU bargaining unit member is assigned to orient a newly-hired employee in this bargaining unit during her orientation period.

16.02 Responsibility Allowance Outside the Bargaining Unit

(a) When the Employer temporarily assigns an employee to carry out the assigned responsibilities of a salaried employee outside of the bargaining unit for a period in excess of one-half (1/2) shift, the employee shall receive an allowance of eight dollars and fifty cents ($8.50) for each shift from the time of assignment. Effective May 1, 2017 increase to nine dollars ($9.00) for each shift.

(b) Where a RN is absent from her normal shift, and the Employer temporarily assigns a RPN to carry out some additional responsibilities of the absent RN for a period in excess of one-half (1/2) shift, the employee shall receive an allowance of eight dollars and fifty cents ($8.50) for each shift. Effective May 1, 2017 increase to nine dollars ($9.00) for each shift.

(c) Where there is neither a RN nor a Supervisory employee (or above), who is a Registered Nurse in the building and there is a RPN in the building, the above noted allowance will apply to a RPN who is designated to be in charge of the building.

(d) It is understood and agreed that only one of the above noted premiums will apply at any one time.

16.03 An employee whose status is changed from full-time to part-time and vice versa shall receive credit for her full seniority and service on the basis of eighteen hundred (1800) hours paid for each year of seniority. Any time worked in excess of an equivalent shall be pro-rated at the time of transfer.

16.04 When an employee transfers as stated in Article 16.03 she shall serve a thirty (30) day assessment period. The employee may be returned to her former position if in the opinion of the Employer the employee is not capable of performing the required duties of the new position. In such case the employee shall have access to the grievance procedure if she feels she has been unfairly
treated. During the thirty (30) day assessment period, the employee may also assess her new position and during said period shall have the option of returning to her former position.

**ARTICLE 17 – JOB POSTING**

17.01 (a) In the event new jobs are created or vacancies occur in existing job classifications including new positions which are created for a specific term or task (unless the Employer notifies the Union in writing that it intends to postpone or not fill a vacancy), the Employer will post such new job(s) or vacancies for a period of ten (10) calendar days, and shall stipulate the qualifications, classification, rate of pay, department, approximate start date (if known), initial assignment (shift and floor), before new employees are hired, in order to allow employees with seniority to apply.

The Employer shall as soon as practicable, after the completion of the job posting procedure, post the name and seniority of the successful applicant for at least seven (7) days.

In the event the Employer plans to change a vacant full-time position to a part-time position, it will advise the Union and discuss its plans with them.

The Employer agrees to provide the chief steward with a copy of each job posting and the name of each successful applicant. The parties agree that an administrative oversight in this regard does not void the job posting.

**Temporary Vacancies**

(b) Any temporary vacancy with an anticipated duration of six (6) weeks or more will be posted. Employees working less than thirty-seven and one-half (37.1/2) hours a week shall be given the first opportunity to fill temporary vacancies, subject to Article 16.03. The Employer will outline to the employee selected to fill the vacancy the anticipated conditions and duration of such vacancy.

In all cases, temporary vacancies shall be filled pursuant to the time limits of the normal job posting procedure.

(c) Part time employees who fill temporary full time positions shall continue to be treated for all purposes as part time employees. However, if the part time employee continues in the temporary position for more than 14 months, and is receiving money in lieu of benefits, the part time employee will be enrolled in the premium based benefits (being full time life insurance, extended health care and dental) and the money in lieu ceases. For any other purpose, the employee continues to be treated for all purposes as a part time employee. When the temporary position ends, the employee returns to her part time position, benefits cease, and money in lieu is reinstated.

17.02 All applications received will be considered within seven (7) days of the end of the posting procedure. In the event one or more employees apply, the Employer shall consider the qualifications, experience, ability and seniority of the applicants. Where these factors are equal, the applicant with the greatest seniority shall fill the vacancy. All copies of job posting and reports of their finalization are to be submitted to the union office and the chief steward or their designate within seven (7) calendar days.
If the applicants are not qualified to perform the work required, the Employer reserves the right to immediately hire outside help.

17.03 Upon request to the Department Head, the Employer will discuss with the unsuccessful applicant the manner in which the employee may improve her position and her work in order to be considered for any future vacancy.

17.04 If no applications are received by 10:00 a.m. of the fifth day following the posting date, the Employer may start proceedings to secure permanent applications for the vacancy from outside sources. No external applications will be considered until the internal process is exhausted.

17.05 (a) Until the vacancy identified by the posting is filled, the Employer is free to fill the vacancy on a temporary basis as he sees fit. A person engaged from outside labour sources to fill the vacancy on a temporary basis will not be included in the bargaining unit during the term of temporary appointment if it does not exceed one (1) month.

(b) Employees on staff prior to the commencement of the summer vacation period shall be given the first opportunity to fill available hours caused by vacation. An employee exercising her option shall not, as a result of such extra work, change her employment status (i.e. part-time, full-time).

17.06 The successful applicant shall be placed in the new position for a trial period of three hundred and thirty-seven and one-half (337.5) working hours. The trial period may be extended by mutual agreement, but in any case, not longer than an additional one hundred and twelve and one-half (112.5) working hours. Such trial promotion or transfer shall become permanent after the trial period unless:

(a) the employee feels that she is not suitable for the position, and wishes to return to her former position; or

(b) the Employer feels that the employee is not suitable for the position, and requires that she return to her former position.

It is understood and agreed that once the trial period has expired, the Employer no longer has the right to return an employee to her former position and the employee no longer has the right to return to her former position.

17.07 In the event of either 17.06 (a) or 17.06 (b) above, the employee will return to her former position and rate of pay without loss of seniority. Any other employee promoted or transferred as a result of the re-arrangement of positions shall also be returned to her former position and rate of pay without loss of seniority.

17.08 The above provisions shall also apply in the event of a transfer to a position outside the bargaining unit. It is understood however, that no employee shall be transferred to a position outside the bargaining unit without her consent.

17.09 Full-time/Part-time Ratio
So long as a full-time position exists there will be no splitting of that position into two or more part-time positions without the agreement of the Union, such agreement not to be unreasonably withheld.

Two or more part-time employees shall not be scheduled to the extent of displacing or replacing, a 7.5 hour shift or part thereof.

Wherever possible, the employer will mesh part-time hours to create full-time positions.

17.10 A copy of the current job description for all bargaining unit positions shall be made available to the Union annually upon request.

17.11 If a resident is determined to be routinely aggressive, then staff shall work in pairs at all times when dealing with the resident during care.

ARTICLE 18 – BULLETIN BOARDS/PARKING

18.01 The Employer agrees to supply and make available solely to the Union for the posting of seniority lists and Union notices one (1) bulletin board in such place so as to inform all Employees in the bargaining unit of the activities of the Union. It is agreed that no notice will be posted on the bulletin board without prior written approval by the Administrator of the Home.

18.02 Present parking conditions will continue so long as present facilities are available.

ARTICLE 19 – LEAVE OF ABSENCE

19.01 The Administrator may grant or refuse a request for a leave of absence without pay for extenuating personal reasons, provided that he receives at least one (1) months’ notice in writing, unless impossible, and that such leave may be arranged without undue inconvenience to the normal operations of the Home. Applicants when applying must indicate the date of departure and specify the date of return.

19.02 If the leave is granted, the employee shall be advised in writing with a copy to the Union.

19.03 Employees who are on leave of absence will not engage in gainful employment while on such leave, and if an employee does engage in gainful employment while on such leave, she will forfeit all seniority rights and privileges contained in this agreement and be deemed terminated unless otherwise agreed by the Union and the Employer.

19.04 An employee who has been granted a leave absence of any kind, and who overstays her leave, unless she obtains permission or provides a satisfactory explanation, shall be considered to have terminated her employment without notice.

19.05 An employee returning from leave of absence shall have the right to return to her former position. In instances where an employee returns to work prior to estimate date of return, the Employer shall not be liable for payments to the resulting displaced employee(s). The Employer shall notify the incumbent of the temporary vacancy of the return to work of the regular employee as soon as possible. In the event that a part-time employee is the successful applicant, the part-time
employee shall retain his/her part-time status during the temporary full-time period. Nothing herein shall prevent the Employer from temporarily filling any position or vacancy for a period of up to six (6) weeks duration, as the Employer may deem appropriate.

An employee filling a temporary vacancy of six (6) weeks or longer duration shall not bid on any other temporary posting until the end of his/her temporary position.

19.06 To qualify for leave of absence as stipulated above the employee must have completed six (6) months’ of employment with the Employer and it is expressly understood no benefit except as hereinafter provided shall accrue to or be paid to any employee on leave of absence.

19.07 Effect of Absence

Whenever they are used in the Collective Agreement, the terms seniority and services shall be deemed to refer to the length of employment subject to the following conditions:

(a) It is understood that during an approved absence not paid by the Employer not exceeding sixty (60) continuous days or any approved absence paid by the Home, both seniority and service will accrue. It is further understood that the provisions of this article shall be applied in a manner consistent with the Ontario Human Rights Code, as amended;

(b) During an absence not paid by the Employer exceeding sixty (60) continuous calendar days, credit for service for purposes of salary increment, vacation, sick leave or any other benefits under any provisions of the Collective Agreement or elsewhere shall be suspended; the benefits concerned appropriately reduced on a pro-rate basis and the employee’s anniversary date adjusted accordingly. In addition, the employee will become responsible for full payment of subsidized employee benefits in which he/she is participating for the period of the absence;

(c) It is further understood that during such leave of absence not paid by the Employer, credit for seniority for purposes of promotion, demotion, transfer or layoff shall be suspended and not accrue during the period of absence. Notwithstanding this provision, seniority shall accrue for a period of thirty-six (36) months if an employee’s absence is due to a disability resulting in W.S.I.B. benefits.

(d) Benefits – WSIB or Paid Leave

The employer shall continue to pay premiums for benefit plans for employees who are on paid leave of absence or receiving WSIB benefits if the employee continues their contribution towards said benefits.

It is understood that the obligation of the Employer, to pay the aforesaid benefits while on WSIB, shall continue for up to thirty-six (36) months following the date of injury.

19.08 (a) The Employer shall continue to pay premiums for benefit plans for employees who are on paid leave of absence or Workers’ Compensation if the employee continues their contribution towards said benefits. It is understood that the obligation of the Employer to pay the aforesaid benefits while on W.S.I.B. shall continue for up to thirty-six (36) months following the date of the injury.
(b) For the purpose of this provision, it is understood and agreed that absence on Weekly Indemnity shall be considered a leave with pay.

19.09 The Employer will notify the employee when his or her benefits will cease.

19.10 (a) If required by the Employer, an employee shall be entitled to leave of absence with pay and without loss of seniority and benefits to upgrade his or her employment qualifications.

(b) Where employees are required by the Employer to take courses to upgrade or acquire new employment qualifications, the Employer shall pay the full costs associated with the courses.

Applicants, when applying, must indicate the date of departure and specific date of return.

19.11 Paid Education Leave

Effective on the same date as the EI Carve out is implemented, the Employer agrees to pay into a special fund two (2) cents per hour per employee for all paid hours for the purpose of providing paid education leave. Such leave will be for upgrading the employee skills in all aspects of union functions. Such monies to be paid on a quarterly basis into a trust fund established by Service Employees’ International Union Local 1 Canada.

(a) Absence for injury compensable under the provision of the Workplace Safety Insurance Act shall not be charged against sick leave credits.

(b) Current Employees who retained sick credits as per the arrangement agreed to prior to the introduction of the Weekly Indemnity Plan will be allowed to use those credits, if applicable, to supplement weekly indemnity benefits if they are required, to full regular base earnings.

(c) **Full Time employees** who have completed the probationary period shall be credited with three (3) days of sick leave and shall then accumulate sick leave credits at the rate of 7.5 hours (1 credit) for each period of 162.5 hours paid, to a maximum of 105 hours (14 credits). Providing credits are available, employees will be eligible to claim one hundred percent (100%) of scheduled lost time due to illness for the first two (2) calendar weeks during any one illness.

(d) The employee shall apply for E.I. sick leave for weeks 3 through 17 of any personal illness or injury. The Employer will top-up these benefits to sixty-six and two thirds (66&2/3) percent of straight time wages. In the event the employee does not qualify for E.I. Sick Leave benefits by reason of lack of adequate contributions, she shall receive sixty-six and two thirds (66&2/3) percent of her straight time wages for weeks 3 through 17 of any personal illness or injury, but shall not be eligible for benefits under (e) below.

(e) The Employer will pay one hundred percent (100%) of the billed premium for full-time employees for a weekly indemnity plan covering personal illness or injury for weeks 18 through 35 of such illness or injury. For Weekly Indemnity the premium cost will prorate in accordance with the formula defined elsewhere in the Collective Agreement and benefits will be provided for scheduled lost time in accordance with the plan policy. Weekly Indemnity payments shall be mailed directly to the employee’s home or paid by direct deposit.

(i) Weekly Indemnity participation is voluntary for all employees.

(ii) Employees will be advised of their options, in writing, and will make their initial choice regarding participation at time of hire, within the eligibility period.

(g) An employee who does not enroll at time of hire or within the eligibility period who has withdrawn, may enroll at the sign up opportunities in June of each year to be effective September, subject to evidence of insurability satisfactory to the carrier.

(a) for any absence in excess of two (2) days;

(b) for the fourth (4th) and succeeding illness in the sick leave year as determined by HRDC.

Failure to provide this certificate as requested may result in loss of sick leave benefits for that period of illness.

If the Employer requires a sick leave certificate in accordance with past practice or the Collective Agreement, and the doctor charges the employee for such certificate outside OHIP, the Employer will pay for the certificate. In the alternative, the Employer may require an employee to attend an independent physician other than the employee’s own physician to provide a sick leave certificate. In such circumstances the Employer shall pay for any medical fees charged beyond OHIP in relation thereto.

(i) An employee who will be absent on the afternoon or night shift due to personal illness must notify the Employer at least three (3) hours prior to the commencement of the shift, unless impossible. An employee who will be absent on the day shift due to personal illness will endeavor to notify the Employer by 22:00 the evening prior, but in no event less than one and one-half (1&1/2) hours prior to the commencement of the shift, unless impossible. Failure to give such notice may result in loss of sick leave benefits for that day of absence.

(j) An employee who is absent due to a pregnancy related illness may be eligible for sick leave under the sick leave plan up to ten (10) weeks prior to the expected date of delivery, subject to Article 20.07.

34.02 In the event the Home requires an employee to undergo a medical examination, the employee will be given reasonable paid time off to see her physician or to undergo the examination in the Home, whichever the employee prefers. Where the employee chooses to use her own physician and, in the opinion of the Home, the physician’s report is inadequate, and a further consultation is required, then the second examination will be on the employee’s time or during working hours by the Home’s physician.
34.03 If an employee returns to work within fifty-two (52) weeks following the commencement of an illness and the employee's former permanent position still exists, the employee will be returned to her former job, former shift, if designated, classification and rate of pay. All employees who fill vacancies as a result of the above absences shall likewise be returned to their former permanent positions.

34.04 When a full-time employee transfers to part-time or when part-time employee transfers to full-time, their sick leave shall transfer with them.

ARTICLE 35 – INJURY AND DISABILITY

35.01 Where an employee is absent due to illness or injury, which is compensable by WSIB, the following shall apply:

(a) The employee will be eligible for benefits in accordance with the WSIA.

(b) If a person on WSIB returns to his/her employment, for purposes of calculating vacation entitlement in the year of her return, service will accrue while on WSIB.

35.02 In the case of an absence due to a compensable accident, where the anticipated length of such absence is four (4) months' or more, the Employer will post notice of the vacancy in accordance with the job posting procedure (Article 17) of this Agreement. Where the anticipated absence is less than four (4) months, the Employer may fill the position at his discretion.

35.03 The injured employee shall have a period of thirty-six (36) months from the date of the injury within which she shall preserve the seniority which she had accrued up to the time of the accident and within which she shall have the right to return to work upon the recommendation of the WSIB or the attending physician, which shall indicate to the Employer that the employee has the physical capability to perform her normal job.

35.04 (a) If a full-time employee returns to work within fifty-two (52) weeks following the commencement of a WSIB claim and the employee's former permanent position still exists, the employee will be returned to her former job, former shift, if designated, classification and rate of pay. All employees who fill vacancies as a result of the above absences shall likewise be returned to their former permanent positions. This clause shall be interpreted consistent with the Ontario Human Rights Code, and the Workplace Safety and Insurance Act.

(b) If an employee returns to work after fifty-two (52) weeks following the commencement of the WSIB claim but prior to thirty-six (36) months mentioned in article 35.03 above, she shall be returned to her former job, or to work of a comparable nature at the same salary level and without loss of seniority or benefits accrued in accordance with Articles 35.01(a) and 35.03. (This would be affected by the returning employee displacing the employee with the least seniority in the category to which she is returning).

35.05 If on the recommendation of the WSIB or the attending physician, the employee is capable only of performing work of a different kind, or of a lighter nature, and such work is available within the Nursing Home in a classification that is covered by this Agreement, then the returning
employee may exercise her seniority if he/she has the qualifications, and can perform the duties
without training other than orientation, by bumping into the job at the applicable salary level,
displacing the employee with the least seniority in the classification. This clause shall be interpreted consistent with the Ontario Human Rights Code, and the Workplace Safety and Insurance Act.

35.06 In the case of an absence due to a compensable accident, the employee will be paid at her regular rate of pay for all scheduled hours on the day of the accident.

35.07 In the event that the Employer challenges a WSIB claim, an employee who is absent from work as a result of illness or injury sustained at work, and who has been awaiting approval of a claim for WSIB for a period longer than one complete pay period, may apply to the Employer for payment equivalent to the lesser of the benefit she would receive from WISB if her claim was approved, or the benefit she would receive from WSIB. if her claim was approved, or the benefit to which she would be entitled under the Sick Leave Plan under Article 34. Payment under this article will only be provided if the employee provides evidence of disability satisfactory to the Employer and a written undertaking satisfactory to the Employer that any payment will be refunded to the Employer following final determination of the claim by the WSIB.

If the claim for the WSIB is not approved, the monies paid, as an advance will be applied towards the benefits to which the employee would be entitled under the Sick Leave Plan, Article 34.

Any payment under this provision will continue for a maximum duration equal to that of the Weekly Indemnity Plan.

Notwithstanding the foregoing, where an error has been made in deduction, the Employer shall, upon request, make full payment on any outstanding Employer contributions irrespective of whether the employee pays the matching amount.

The parties agree that this Article in no way prejudices the position of either party as it related to the retroactivity application if an error is discovered.

.03 The employee and Employer contributions shall be paid to the Plan within thirty (30) days after the end of the calendar month in which the pay period ends for which the contributions are attributable.
The Union acknowledges and agrees that other than making its contributions to the Plan as set out in this Article, the Employer shall not be obligated to contribute towards the cost of benefits provided by the Plan, or be responsible for providing any such benefits.

The Union and Employer acknowledge and agree that under current pension legislation, and/or regulations, the Employer has no requirement to fund any deficit in the Plan, but is required to contribute only that amount as required by the Collective Agreement in force between the parties.

It is understood and agreed by the Employer and the Union that should the current pension legislation or regulations be changed so that the Employer’s obligation to contribute to the Plan exceeds the amount specified in the Collective Agreement then in force, the parties will meet directly to finalize methods to relieve the Employer of this increased obligation to the extent that any such obligations exceeds that which the Employer would have if the Plan were a defined contribution plan.

The Employer agrees to provide to the Administrator of the Plan, on a timely basis, all information required pursuant to the Pension Benefits Act, R.S.O. 1990, CH P-8, as amended, which the Administrator may reasonably require in order to properly record and process pension contributions and pension benefits.

The information required to be provided by the Employer may be provided in the form normally maintained by the Employer, whether on computer disc, manual records, or otherwise. In the event such information is not readily available without review of other information not relevant to the Plan, the Plan shall make arrangements with the Employer for access to the required information. This may include the Employer providing such information at reasonable cost to the Plan. If the Administrator of the Plan and Employer are unable to agree on the form of such access, a mutually acceptable third party, such as a firm of accountants and auditors shall be retained at the expense of the Plan to obtain such information from the Employer’s files.

Such information shall be provided only on enrolment of an employee or with the monthly remittances.

Any additional information requests beyond that noted above may be provided, if possible, by the Employer, it being understood that any additional costs of such request shall be borne by the Plan.

The only exception to this calculation will be an employee who successfully bids or otherwise obtains a seventy-five (75) hour bi-weekly position. In this instance an employee who qualifies will immediately receive entitlement of one hundred percent (100%) of the Employer’s paid share of premiums and benefits, and holiday pay.

40.02 On the basis of the average hours paid, as determined by calculation under Article 14.02, the Employer will pay the percentage of premiums specified in Article 36 for health and welfare benefits for employees who are regularly employed for less than thirty-seven and one-half (37.5) hours per week, who participate in the plans. Employees may elect at the time of hire to enroll in any or all of the group insurance plan(s) as described in Article 36, subject to any waiting periods or other conditions of the plan(s).

The pro-rata percentage for present employees will be based on a calculation of average hours paid over the past six (6) months, such calculation to be completed at the time of ratification of the Agreement.

40.03 (a) Employees working fifteen (15) hours or less bi-weekly will receive ten (10%) percent of the Employer paid share of the health and welfare premiums.

(b) Employees working more than fifteen (15) hours bi-weekly and up to and including thirty (30) hours bi-weekly will receive twenty (20%) percent of the Employer paid share of the health and welfare premiums.

(d) Employees working more than forty-five (45) hours bi-weekly and up to and including fifty-two (52) hours bi-weekly will receive fifty (50%) percent of the Employer paid share of the health and welfare premiums.

(e) Employees working more than fifty-two (52) hours bi-weekly and up to and including sixty-six (66) hours bi-weekly will receive seventy-five (75%) of the Employer paid share of the health and welfare premiums.

(f) Employees working more than sixty-six (66) hours bi-weekly will receive one hundred (100%) percent of the Employer paid share of the health and welfare premiums.

(g) Permanent part-time employees shall receive pay for each day of sick leave, paid holiday and uniform allowance as stipulated in this Agreement, in accordance with the percentage outlined in paragraphs (a), (b) and (c) above.

40.04 (a) Hours paid in calculating pro-ration formula will include Workers’ Compensation and Weekly Indemnity;

(b) When an employee is on:
(i) Maternity leave;

(ii) Adoption leave;

(iii) Approved paid leave of absence in excess of thirty (30) continuous calendar days.

Pro-rata upon return shall be based on the percentage in effect prior to commencement of the leave.

40.05 Payment In Lieu of Benefits

For Employees regularly scheduled for sixty-six (66) hours or less bi-weekly.

Part-time employees, upon completion of probationary period of employment, will receive forty-five cents ($0.45) per hour in lieu of Extended Health Coverage (Semi-private if any), hearing, Vision, Drugs and other extended health benefits, Dental plan, sick leave and Weekly Indemnity Coverage. The Employer will pay one hundred percent (100%) of the premiums towards a flat rate life insurance of fifteen thousand ($15,000) dollars.

40.07 For the purpose of clarification the only exception to this calculation will be an employee who successfully bids or otherwise obtains a seventy-five (75) hour bi-weekly position. In this instance an employee who qualifies will immediately receive entitlement up to one hundred (100%) percent of the Employer’s paid share of premiums and benefits.

40.08 Employees who continue to be employed past age 65 shall be eligible for the following benefits under the same cost sharing basis as active employees:
